About Transcripts

LSAC's Credential Assembly Service (CAS) includes the processing of your undergraduate and graduate transcripts once you have them sent directly to LSAC from each institution you attended.

It is your responsibility to request an official copy of all required transcripts to be sent to LSAC directly from each institution you attended.

To avoid delays in processing, please use LSAC's Transcript Request Forms to request your transcripts from the institutions you attended, unless your school uses one of the following electronic transfer services: National Student Clearinghouse, Credentials Solutions, Parchment, or SCRIP-SAFE. The forms become available after you register for the Credential Assembly Service and enter Information about your institutions.
