

WICHE: PROFESSIONAL STUDENT EXCHANGE PROGRAM

The Western Interstates Commission for Higher Education (WICHE) offers a Professional Student Exchange Program (PSEP) which enables students in ten western states to enroll in selected out-of-state professional healthcare programs and pay reduced tuition. States typically fund students who are certified as residents of their state to enroll through PSEP if a professional healthcare program is not available at one of their in-state institutions. The number of students supported through PSEP is determined by the respective state and the intended profession. See www.wiche.edu/psep for more information.
